

## warnmc: throwing shade...

Maybe not so much shade as impish shadows with Word of Warning's latest hazardous outing... If you happen to be around the St Ann's Square to Exchange Square area of Manchester next Saturday (4 Aug, 12-4) you might just see your shadow misbehaving as [Chrissy Jones's Shadow Girl](#) takes to the city streets...

August, of course, marks the usual mass 'treacle migration north, but if you're staying in parts Mancunian you might want to check out [Ockham's Razor's Switch + Tipping Point](#) (15-19 Aug).

And so to the elephant in the festival tent.. Edinburgh (3-27 Aug). The [International Festival](#) (with the likes of Phillippe Saire, Wayne McGregor, Akram Khan et al) aside, for me, the week commencing 13 Aug and the two Forest Fringe 'pass the torch' events remain the focal point. [Live Art Bistro's All These Things](#) takes over ZOO venues on Wed 15 Aug with an all nighter including Ben Mills, Katy Baird, Sh!t Theatre and Toni Lewis amongst many others (full schedule tba 3 Aug). [DICE Festival](#) is also on at Summerhall (16-18 Aug) including Sh!t Theatre and Hannah Maxwell as Dice Masters, plus Louise Orwin, Malik Nashad Sharpe, Josh Coates and Neurosis Cabaret (keep checking their [facebook page](#) for programme updates).

As ever, [Summerhall](#) remains the general nexus of all things - including the regular sprinkling of Belgians, Finns and Canadians that always intrigue. [Chris Thorpe's Status](#), [Two Destination Language](#), [Katy Dye](#), [LaJohnJoseph](#); [People Show](#), [Flight](#) and [Zanetti Productions](#) piqued my interest, plus there's another chance to catch work from familiar friends like [Making Room](#) and [Tin Can People](#).

Elsewhere [Vincent Gambini](#) is at Underbelly Bristo Square; [Paul O'Donnell](#) is at Pleasance Dome and [The Lincoln Company + Michael Pinchbeck](#) are at Zoo Southside.

Trawling the listings, actually a lot of what caught my attention was that there seemed to be quite a lot of (what could be interesting but I'm not au fait enough to know) dance work at [DanceBase](#) and at [Zoo Southside](#). Hope the list above proves of some use!

The Weekly Warning will be on a longer (I hope) break now until the world wakes up again - on current evidence probably mid-September. Don't forget that the [call for proposals for Emergency](#) is open til 15 Aug. Meanwhile I'm going back to risk assessing shadows... have a good summer and please look out for [Shadow Girl](#)!

Best
